

Job Description

CorrectHealth has an exciting full-time opportunity to join our team as a Licensed Clinical Social Worker (LCSW) or Licensed Professional Counselor (LPC) in Baton Rouge, LA!

Job Summary

The LPC/LCSW provides mental health services to inmates under the supervision of the mental health director. Job duties include but are not limited to:

- Provide direct clinical services in accordance with Correcthealth policies and procedures, the policies and procedures of the facility, and per ethical guidelines.
- Applies clinical knowledge of mental health care in the provisioning of treatment to the inmate population.
- Conduct initial triage and mental health assessments in accordance with timelines set forth by organizational/company policy or per accrediting body requirements to determine ongoing level of care and treatment.
- Provide individual/group counseling as required to inmates of the correctional facility.
- Respond to and provide crisis management and stabilization intervention to inmates.
- Collaborate with facility staff regarding ongoing treatment/management concerns when required.
- Respond to submitted inmate requests for mental health services.
- Provide training in human behavior and suicide prevention to facility and company staff in accordance to the facilities training program requirements and as assigned by the mental health director.
- Serve as liaison to community partners as directed
- Participate in interdisciplinary team meetings as required.
- Complete all required documentation in timely manner and accurately using the electronic medical record database.
- Must be able to obtain and maintain security clearance/pass background check.
- Perform other duties as assigned.

Education Requirements

- Master's Degree in a behavioral/social science field from an accredited college/university.

Skills

- Possesses education and experience that demonstrates a strong clinical background in mental health services as well as the ability to apply therapeutic interventions.
- An ability to work effectively in a team environment.
- Ability to prioritize and multi-task in a fast-paced environment.
- Ability to provide satisfactory customer service to company clients.
- Ability to work independently and problem solve.

Licenses/Certifications

- LCSW or LPC licensure preferred
- Current CPR preferred

CorrectHealth is a multi-disciplinary medical organization that provides high quality, cost-effective, comprehensive healthcare inside the walls of correctional facilities. The foundation of our company was established by a group of talented ER professionals. Brick by brick, we have been building our company from the ground up. In doing so, we have developed the right way - the "Correct Way" as we like to call it - of providing correctional healthcare.

Currently, CorrectHealth provides high quality, cost-effective, comprehensive healthcare services inside the walls of more than 35 correctional facilities throughout Georgia, Louisiana, the Southeast, and beyond.

Join our growing CorrectHealth family by finding your place in a dynamic work environment that offers competitive pay and excellent benefits, such as Medical, Dental, Vision and Life Insurance. We also offer a comprehensive Retirement Plan, paid time off, and a variety of other great benefits.
